SHORTHORNS

ROYAL CITY TURF CLUB

on No. 7 Highway, three-quarters of a mile west of Guelph

on Saturday, November 18th, 1950

SALE AT 1 P.M., STANDARD TIME

Foreward

The Royal Shorthorn Club presents its fifth Annual Consignment of Scotch Shorthorns, with confidence and with justifiable pride. From the first to the last entry each has been carefully chosen to represent the best possible in individuality, colours and popular bloodlines; all of which combine to give the best assurance that the cattle will prove profitable to the purchasers. The females in particular rank with the best, and the entire sale offering will make a contribution to Shorthorn advancement wherever the individual purchases may go. The novice can buy here with the same assurance as the breeder of experience and ripened judgment.

It is expected that many breeders will be attending the Royal Agricultural Winter Fair, Toronto. A chartered bus will be at the Royal Winter Fair grounds, on the morning of the sale, to provide transportation to the sale building in Guelph. The bus will be leaving for Guelph not later than 9 o'clock, Standard Time, and returning to Toronto immediately after the sale.

The Royal Shorthorn Club Sale cattle will be stabled on Friday, November 17th, for the inspection of visitors who may wish to look over the offering. The cattle will be sold on the afternoon of Saturday, November 18th, sale starting at 1 p.m., Standard Time.

We offer assurance that we shall treat the purchasers and patrons of this sale as we would wish to be treated if we were the buyers.

Sale headquarters will be at the Royal Hotel, Guelph.

We extend a cordial invitation to all lovers of good Scotch Shorthorns to be with us. Kindly bring this catalogue with you.

All animals in this sale are blood-tested and from fully accredited herds, and have been inspected by a representative of the Live Stock Branch, Ontario Department of Agriculture.

J. E. PEAREN,

President, Royal Shorthorn Club

W. L. Elliott,

Assistant Club Secretary

Terms and Conditions of Sale

Each animal entered and advertised in the catalogue of sale shall be sold to the highest bidder. The power of withdrawing any animal from sale at any time shall rest solely with the Sale Manager. **TERMS:** Cash.

WARRANTY

The cattle offered in this sale are thoroughly healthy and are sold with a guarantee to conform to the health regulations of any province or state into which they may go. All papers necessary for shipment to the United States will be provided.

1. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

2. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot. Heifers shall not be served for first calf by heavy or old bull. Cows and Heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the above guarantee.

3. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest, or of accepting a substitute; no charge for maintenance shall be made by either buyer or seller.

4. The cattle are from fully accredited herds and those sold to Canadian buyers will be delivered direct from the sale. All will have been officially blood-tested for export within 30 days of date of sale so that those negative can be shipped to the U.S. without unnecessary delay if any vaccinated heifers have not yet cleared up, it will be announced at time of sale.

5. We will not be responsible for accidents that may occur. As soon as cattle are sold they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of charge.
